

The **Denver Dental Study Club** is a group of dental professionals who exchange experience, knowledge, support, resources, and professional networking. The DDS Club focuses on a multidisciplinary, case based approach to learning.

In 2023, DDS Club participants can expect to:

- Earn 18 CE credits thru 6 meetings
- Expand clinical skills
- Collaborate with area doctors in a Socratic environment

Please contact Dr. Douglas Hong at 303-255-0500 or email at info@northdenveroms.com if you are interested in joining the Denver Dental Study Club. 2023 tuition is \$1300.
